

EVOLV DAILY FACT SHEET

FERMENTED WHOLE FOOD VITAMIN, MINERAL & ENZYME SUPPLEMENT

“HEALTHY GUT, HEALTHY YOU”

The Cornerstone of Optimal Health

The Complete **Whole Food** Supplement For Healthy Gut Support

Fermented food-sourced vitamins and minerals

Five strains and 5 billion CFUs of probiotics per day

Full spectrum of digestive enzymes

Unique blend of superfood extracts

Evolv Immūn - an advanced and proprietary complex of immune modulating Acemannans (Aloe Vera's most bioactive ingredient)

ēvolv₂ daily

SUGGESTED USE

Take two capsules in the morning and two capsules in the evening, with or before meals (each bottle has a 28 day supply if taking 4 capsules per day as suggested).

Replace your synthetic vitamin/mineral product with Whole Food Nutrition.

ADDITIONAL INFORMATION

Hippocrates, the father of medicine, said "All disease starts in the gut." Today, we know a healthy gut promotes normal gastrointestinal function, provides protection from low grade inflammation and infection, regulates our metabolism, and composes more than 75% of our immune system. Evolv Daily goes far beyond what the typical synthetic vitamin and mineral supplement can do in the promotion of healthy digestion and overall health.

FERMENTED FUNCTIONAL FOOD BLEND

The fermentation of friendly micro-organisms transforms vitamins and minerals into a highly complex source of nutrients. These nutrients—found in Evolv Daily just as they are in all fermented foods—are bound in a matrix containing lipids, proteins, beta glucans, and a wide variety of phytonutrients.

This unique complex is then blended with probiotics, prebiotics, digestive enzymes, superfood extracts, and a proprietary immune supporting Aloe Vera extract to provide the most advanced "gut healthy" supplement for optimal health and performance.

Supplement Facts

Serving Size 2 Capsules
Servings Per Container 56 (112 capsules)

	Amount Per Serving	% Daily Value*
Calories	3.25	
Total Carbohydrates	.4 g	<1%
